Since Thursday sounds better than Wednesday for Nathan, let's go with Thursday May 18 1:30 Pacific/3:30 Central—I'll conference you both from my handset at your office phones unless you would prefer to send out a call-in number. Thanks for the prompt responses.

Tomorrow is unfortunately a wreck on my calendar. Next Wednesday is open in the afternoon (after noon pacific / 2:00 central). Thursday is a bit better – open all afternoon after 11:00 pacific / 1:00 central. Friday, 5/19 is wide open.

Nathan and Adam, I'd like to set up a call with you (either or both, at your pleasure) to begin discussions about resolution of EPA's past costs at the Anaconda site and termination of outstanding AOCs and UAOs, all in the context of the parallel NPL deferral discussions. I am available any time tomorrow (Friday), out Monday and Tuesday of next week, and generally available thereafter. Please let me know your availability. Thanks
